10,000 Christian books ~ New and Pre-owned Gifts

November 2010

It's hard to believe Love's Treasury has been open 4 months. Time sure flies when you are having fun!

We've had so many volunteers helping with so many different things! I want to thank Doug and Sharon Worden who for the past 2 months, at least, have put in hours and hours logging and putting on the shelves thousands of new books we've been donated.

If that weren't enough, Doug has made a connection for us for all these beautiful gifts that we are selling on consignment.

We have night lights, comfort lights, and Trevertine Bowls that are made from stone that are amazing!

We also have Wooden platters, Baskets, platters and bowls along with the wooden benches and three tier stands. You must come see if you are into the rustic natural decorating style or know someone who is!

With regard to the books we now have over 5000 titles, totaling more than 10,000 books! We have quite a selection of out of print books that collectors may be interested in.

We have 3 bookshelves full of Home School Curriculum as well as a huge table full of a variety of books and tubs and tubs of children's books!

We have built this store to help raise funds to support the ministry of Love INC, Love in the Name of Christ. It is a ministry created by local churches to help the churches help people in need. In the 3<sup>rd</sup> quarter of 2010 we received calls from 2389 families experiencing some crisis situation. We were able to help with 1617 of those needs through networking the churches to help families and referring them to agencies set up to meet specific needs. There were over 3139 adults and 2406 children that were directly or indirectly helped because of the ministry of Love INC.
